## Summary

Dedicated and highly motivated aspiring respiratory therapist with a Bachelor's in Health Sciences and a strong foundation in respiratory care, patient assessment, and healthcare protocols. Eager to apply critical thinking, teamwork, and patient care skills in a clinical setting. Passionate about improving respiratory health and gaining proficiency in advanced therapies such as ventilator management, ABG interpretation, and oxygen therapy, currently pursuing RRT certification and state licensure to advance my career in respiratory care further.

---

## Experience

### Certified Trainer

03/2023 - Current

Buffalo Wild Wings | Casselberry, FL

- Provided exceptional customer service by engaging with guests, taking accurate orders, and ensuring a positive dining experience.
- Handled high-volume service efficiently in a fast-paced restaurant environment, managing multiple tables at once.
- Maintained knowledge of menu items to make recommendations and accommodate dietary needs.
- Assessed training needs through surveys, interviews with employees or focus groups.

### Program Facilitator

06/2022 - 07/2025

Catalyst Academy | Deltona, FL

- Created an engaging learning atmosphere through interactive activities.
- Maintained accurate records of program attendance and outcomes.
- Tutored and assisted with assignments for subjects including math, art, reading, and science at the literacy camp for six weeks.
- Collaborated with administrators and parents to ensure the safety of all scholars while in my care.

### Educational Assistant

01/2021 - 12/2022

African American Museum of the Arts | Deland, FL

- Collaborated with other departments within the museum on projects related to education outreach efforts.
- Performed administrative duties such as scheduling appointments and maintaining records.
- Planned presentations about the museum's history, collections, or exhibits at community events.

**Assistant Store Manager**

04/2019 - 06/2021

The Big Slice | Springfield, MO

- Supervised daily restaurant operations, ensuring a smooth workflow and high service standards.
- Trained and managed staff, providing guidance on food preparation, customer service, and company policies.
- Managed inventory and supply orders, tracking stock levels to minimize waste, and maintain efficiency.

---
